

# DATA SHEET

**PRODUCT: GAS WALL RISER VALVE**

**PRODUCT CODE: AD2085**

*Specialist fittings and equipment for the gas industry*

## Materials of Construction

- 1. Body:** Malleable cast iron  
BSEN1562 EN-GJMB-300-6
  - 2. Completion sleeve:** Steel  
BSEN10277-3 11SMn30
  - 3. Stopper:** Brass  
BSEN12164 CW614N
  - 4. Closure plug:** Malleable cast iron  
BSEN1562 EN-GJMB-300-6
  - 6. Plug O'ring:** Nitrile rubber  
BSEN682 type GA (gas)
  - 7. Stopper O'ring:** Nitrile rubber  
BSEN682 type GA (gas)
- Corrosion protection:** Iron & steel  
Zinc plated - BSEN12329 Fe//Zn25//C

## Design Conditions

**Maximum operating pressure:** 2 bar

**Valve type:** Screw down stopper

**Inlet connection :** 32mm SDR11 polyethylene pipe (PE80)

**Outlet connection:** 1" BSP taper thread (BS21 Rc)

**Delivered/installation state:** Closed

## Tooling

**PECAT assembly tool:** BE2025 c/w shells

**Ratchet spanner:** BE0034

**Valve actuation tool:** BE0027

## Packaging

Valves supplied in sealed plastic bags complete with instruction leaflets

Registered in England 98677  
Registered Office:  
Crane Limited, Nacton Road, Ipswich, Suffolk, England, IP3 9QH
